In Salem we will assemble for this event, starting at **11am**, at the far end of the mall across from the steps of the Capital Building, Salem, Oregon on **Saturday, May 1st, 2010**. Officially, the corner of W. Summer and Center streets. At **High Noon** (sharp!) we proceed down W. Summer thru the Mall to the corner of W. Summer and Court. Then west down Court Street on the north side-walk. We do not have permission (\$) to use the street, so we must stick to the sidewalks and obey pedestrian rules. We will check on being able to have bicycles and pace vehicles on the street beside us. Do not block traffic or impede other citizens attempting to use the walkway.

We will march, politely and peacefully, down to Liberty Street and turn right. We'll go north up Liberty to Center and turn right. Going east down Center we'll come to W. Summer (the Mall), and return to our original rally point. Those unable to go the distance will be holding our rally point and waiting for the Marchers there.
