## Help MERCY Help You and Others

**MERCY – the Medical Cannabis Resource Center – is a 501c3 non-profit and your contributions are tax deductible as allowed by law. \* If you want to help MERCY to do things like this or in general, Donations of \$50 per person for 3-night stay or \$75 per person for 5-night stay or even just \$10/person + \$5/car are suggested.**

The Mission: Inform, Educate and Activate on and thru the Issue. The objective of the WaB is to establish a regular opportunity for networking or just getting out and away from the sick-bed for Medical Cannabis patients, their family & friends and like-minded people. At the same time it gives the Public a chance to come and mingle with members of the medical cannabis community and see that (a) their medicine is not evil and dangerous making them so and thus (b) they're not monsters out to get their children.

Goal: to be just another node of the MERCY Event Network. MERCY is donating resources to help establish e-mail lists, phone-trees and other lines of communications dedicated to this action item - and anything remotely similar - in the region and beyond. Have your own, and let us know! Check our [Calendar](#) for others we're aware of. For more on MERCY, call: [503.363-4588](tel:503.363-4588) –or- visit:
